

Exhibitions | [AB Circle Exhibits at Medical DX/IT Expo in Tokyo](#)

AB Circle is showcasing its latest healthcare solutions at the Medical DX/IT Expo in Tokyo from October 1-3. A key focus will be a presentation on "Improving Mobile My Number Health Insurance Card Reception Operations" by Yoshio Hayashi, Technical Support & Customer Service Manager of AB Circle Japan. The company will introduce its new [smartphone-compatible reader stand](#), designed to simplify patient reception following Japan's recent digital card rollout. Additionally, AB Circle will exhibit its innovative [reapp EV Charge](#) solution, which helps healthcare facilities meet Tokyo's EV charging mandate and embrace green mobility. Visit [booth #21-51](#), to learn more.

Insight | [AB Circle Ensures Seamless Integration as Japan Launches Mobile My Number Health Insurance Cards](#)

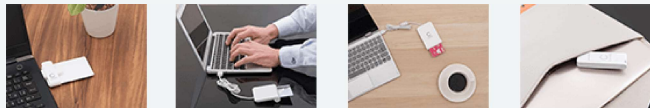

Japan has launched the mobile My Number Health Insurance Card, enabling citizens to use their smartphones for secure, contactless healthcare access. As a key partner in this digital transformation, AB Circle has ensured its widely deployed [CIR315A](#) and [CIR415A](#) readers are fully compatible with the new mobile cards. To further enhance usability, the company also introduced a new [reader stand](#) that ensures stable and secure data transmission, helping to build a more efficient and accessible healthcare system nationwide.
