

ESG | AB Circle Unveils ESG Commitment Webpage

AB Circle has launched a new webpage showcasing its pledge to Environmental, Social, and Governance (ESG) initiatives. The page outlines efforts in sustainable operations, responsible sourcing, and community engagement. Highlights include our green practices, support for child health and cancer foundations, and robust governance ensuring ethical conduct. CEO Gilbert Leung emphasizes the company's belief in responsible innovation: "Technology should contribute to a better world." This milestone reflects AB Circle's dedication to long-term value through sustainability and social impact.

Exhibitions | AB Circle Japan Unveils Smartphone Reader Stand at Medical Japan Tokyo 2025

AB Circle Japan introduced its innovative Smartphone Dedicated Reader Stand at Medical Japan Tokyo 2025, revolutionizing My Number Card authentication in healthcare. Representative Yoshio Hayashi's keynote highlighted the device's ergonomic design, broad compatibility, and seamless NFC scanning across smartphones and FelCa systems. The stand addresses key challenges in mobile My Number Health Insurance Card adoption, enhancing speed and reliability in clinical settings. A limited-time promotion offers 20% off select products and bonus loyalty points via Rakuten. AB Circle's latest solution underscores its commitment to advancing secure, efficient, and mobile-friendly healthcare identification technologies.
