

Exhibitions | **AB Circle Showcases Next-Generation Smart Card Solutions at TRUSTECH 2025**

AB Circle will present its latest secure identity and payment innovations at TRUSTECH 2025, held December 2–4 at Paris Expo Porte de Versailles, Booth F021. Highlights include the new CIR515 Bluetooth® Contact Smart Card Reader for wireless authentication, advanced [CIR Series readers](#) for government and enterprise security, and mobile integration solutions for seamless ID verification. The company will also feature its reapp EV Charge Platform, promoting sustainable mobility. Visitors can experience live demos and explore OEM/ODM opportunities. Don't miss CEO Gilbert Leung's Innovation Stage talk on December 4 at 10:30 AM: *Leading with Resilience: A CEO's Perspective on Innovation and Trust*.
