Exhibitions | **Visit AB Circle Japan at EDIX Tokyo 2026 (Booth 17-44)**

Join AB Circle Japan at EDIX Tokyo 2026 from May 13–15 at Tokyo Big Sight to explore the future of educational security. As digital ID integration accelerates in Japan, we are showcasing our certified My Number card readers and innovative NFC solutions designed for modern campuses.

Discover how our technology streamlines school administration through automated attendance tracking, real-time school bus location monitoring, and secure tutor center check-ins. General Manager Hiroyuki Shimada notes, "Our goal is to provide schools with reliable tools that enhance student safety and operational efficiency." Visit Booth 17-44 for live demonstrations.

Japan IT Week 春 2026

Exhibitions | **AB Circle Japan Showcased Next-Gen My Number Solutions at Japan IT Week 2026**

AB Circle Japan successfully concluded its participation in Japan IT Week Spring 2026 at Tokyo Big Sight, showcasing advanced solutions for Japan's digital transformation. The exhibit highlighted a comprehensive range of My Number card-compatible readers, essential for the nation's Medical DX initiatives in healthcare and public sectors. Additionally, the company presented FIDO2-certified security keys and biometric devices to meet the rising demand for passwordless corporate security. General Manager Hiroyuki Shimada noted the enthusiastic response, reaffirming the company's commitment to providing the secure, reliable hardware necessary for a trusted and integrated digital society.
