Awards | **AB Circle Named Digital Identity Solutions Company of the Year**

AB Circle has been awarded "Digital Identity Solutions Company of the Year – Hong Kong" in the CorporateLiveWire Global Awards 2026/27 from the UK. Recognizing our cryptographic engineering excellence and secure MFA/IAM technologies, this milestone follows major market growth—including capturing over 50% market share in Japan's healthcare identity sector with our MyNumber card verification readers. As we expand across Europe and the Americas, we remain committed to delivering versatile, high-security smart card readers that simplify identity verification worldwide.

Exhibitions | **AB Circle to Showcase Advanced DX Solutions for Community, Childcare, and Education at Kodomo Tech Kansai & Regional Tech Kansai**

AB Circle Japan has announced its participation in the upcoming Kodomo Tech Kansai and co-located Regional Tech Kansai exhibitions, taking place November 12–13, 2026, at Miyako Messe in Kyoto, Japan.

At Booth 2-12, AB Circle will demonstrate advanced DX and security solutions engineered to optimize operations for municipal, educational, and public service environments:

- School Bus Boarding and Alighting Management System: Real-time tracking to ensure student safety on school transport.
- CIR715A Smart Card Reader: Compliant with Japan's Act on Prevention of Transfer of Criminal Proceeds for secure My Number Card verification.
- ROBOOTER: Next-generation smart mobility for enhanced regional accessibility.
- CircleONE Touch: High-efficiency authentication terminal for access control and service desks.
